

BEFORE THE  
WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, D. C.

ORDER NO. 282

Served: July 3, 1963

IN THE MATTER OF:

Special Evaluation of the Accounts of       )  
D. C. Transit System, Inc., Washington,       )  
D. C., and W M A Transit Company,       )  
Bradbury Heights, Maryland       )

The Commission is responsible for making a certification to the Board of Commissioners of the District of Columbia, relating to school fare subsidies. It appears that the D. C. Transit System, Inc., and the W M A Transit Company are the only carriers eligible to participate in this program. The Commission, by Order No. 199, served September 17, 1962, determined that it was necessary for its staff to make a special evaluation of the accounts of said carriers before making said certification, and that such account evaluation would entail expenses subject to Section 19(a), Article XII, Washington Metropolitan Area Transit Regulation Compact. The Commission assessed subject companies \$5,400.00 to cover the expenses of said evaluation to be incurred in the period October 1, 1962 to June 30, 1963.

The Commission has determined that as of the close of business, June 30, 1963, a balance of \$88.73 remains unexpended; it is of the opinion that an additional assessment of \$9,500.00 is a reasonable amount to cover the cost of said evaluation estimated to be incurred in the period July 1, 1963 to June 30, 1964.

THEREFORE, IT IS ORDERED:

1. That D. C. Transit System, Inc., be, and it is hereby, directed to deposit \$8,750.00 in the name and to the credit of the Washington Metropolitan Area Transit Commission, in the Riggs National Bank, 1503 Pennsylvania Avenue, N. W., Washington, D. C., one-half of this sum on or before July 8, 1963, and one-half on or before January 6, 1964.

Order No. 282

2. That W M A Transit Company be, and it is hereby, directed to deposit \$750.00 in the name and to the credit of the Washington Metropolitan Area Transit Commission, in the Riggs National Bank, 1503 Pennsylvania Avenue, N. W., Washington, D. C., one-half of this sum on or before July 8, 1963 and one-half on or before January 6, 1964.

3. That the Commission's financial records be made to reflect said deposits and all sums disbursed by the Commission in defraying the expenses of this proceeding.

4. That the sums hereby assessed may be charged to operating expenses and the carriers may amortize such amounts over the period of July 1, 1963 to June 30, 1964.
